

5th May 2016

Dear parent/carer

You will be aware that Canon Lee school is currently consulting to join the Hope Learning Trust, York, a multi-academy trust set up last year by Manor CE Academy and Poppleton Ousebank Primary School.

We believe a good primary school/secondary school relationship is in everyone's best interests and so we would like to invite you to attend one of two meetings where we can explain our thinking and set out our vision for a collaborative future.

Meetings will be held at Clifton Moor Community Centre on Tuesday 10th May at 1.30pm and Burton Stone Community Centre on Wednesday 11th May at 6.30pm. You are welcome to attend either event.

We want to establish a Clifton-wide collaboration, where all parents and carers of school age children, at primary or secondary phase, can be aware of what's happening and so can get involved in improving the educational outcomes for our children and young people.

Some really good work has been going on at Canon Lee and the team at Manor CE Academy is determined to build on that success. Please try and attend one of the meetings so we can take on board any comments or suggestions you might like to make.

If you are unable to attend, but would like to contribute your ideas, you can contact us by email at consultation@hopelearningtrust.org

Yours faithfully
