

Y7 Breakthrough Event

October 8 2018

Dear Parent

Your son/daughter has been selected to represent their school in an upcoming York ISSP (Independent State School Partnership) event. York ISSP is a partnership of 12 secondary schools – 9 state/academy schools and 3 independent schools. We aim to provide challenging academic opportunities for bright secondary aged children. Please visit our website: www.yorkissp.org to find out more about the Partnership and our work.

This FREE event is aimed at bright, keen and enthusiastic year 7 students and is centred on trying to discover what the greatest breakthrough moment is in history. There will be guest speakers at the event to argue the case for various moments and there will also be an opportunity for questions and debates. The event will take place on Tuesday 6 November at St. Peter's School in York. Your child will be taken to St. Peter's School by their school staff for a 2.30pm start and the students will leave St Peter's School to return to their own school at approximately 4.30pm. Students will then be able to make their own way home.
