

18th September 2018

Dear parent/guardian,

The History Department has purchased revision guides for the AQA GCSE History exam at a reduced rate for schools.

The revision guide is an essential resource for your son/daughter. It will aid their preparation for mock exams throughout the course, as well as the real GCSE exams at the end of Year 11. It will also help your son/daughter to complete revision homework on a regular basis. The guide contains all the topics that your son/daughter will be examined on, so no further books will be required.

The revision guide costs £3.45 and can be purchased through Parent Pay.

If you have any questions about the revision guide, or another aspect of the History GCSE, please do not hesitate to contact me.

Yours faithfully,

F. Askham

Mrs F Askham
Head of History

You may also be interested in other revision guides which are listed on Parentpay.
