Dear Parent/Carer

GCSE PE Practical Video Assessment

As part of our GCSE Physical Education syllabus the pupils have to be assessed in three practical activities. One of which has to be an individual activity. The examination board requires video evidence of activities, which it may not see during the official external moderation day in the spring term. Without this video evidence the practical mark for that particular activity is not allowed to be submitted.

For a number of our pupils Athletics is an individual activity which we can offer within school, therefore allowing pupils to get stronger marks. This year all the schools within York have come together to hire the Athletic facilities at York University, therefore allowing a unique opportunity for the pupils to be filmed, in preparation to be sent to the moderator and examination board. This is an invaluable opportunity for pupils to perform to their best due to the quality of the track and facilities they have, and with experienced videographers to ensure the highest quality of evidence.

This event will be taking place on Thursday 17 October. We aim to leave school at 3pm and finish at the latest by 6pm. There is no cost for the pupils to attend this event. We cannot emphasize enough what a significant event this could be and the importance of your child attending.

If you would like any further details or have any queries please do not hesitate to contact Mr Rampling, Head of Enrichment and Sport, or Mrs Duncalf Yr11 GCSE PE Teacher.

Yours Sincerely

Mr M Rampling
Curriculum Leader for PE and Enrichment
