### Year 10 & 9 exam classes:

	Guidance and explanation
<i>How to access work guidance and supporting resources.</i>	Use google classroom for all material. Each week there will be a progress check where students are expected to upload any work they have done that week. Seneca can still be used as an additional revision tool. A revision question booklet will be posted where students need to complete certain question or pages each week.
<i>Suggested sequencing of work</i>	Work on the project and revision tasks that are set <b>each week</b> . Work will be posted on a <b>weekly</b> basis with clear guidance of <b>what</b> to work on. You must also then react on feedback given.  A mock NEA1 task will be posted on google classroom. You need to work through the tasks as set out on the task sheet and on google classroom. A revision question booklet will be posted on google classroom. You need to work on the question or pages set each week.
<i>Additional comment</i>	Post pictures of your revision work and practical work. Don't forget to cook or help preparing food!

### Key Stage 3 Years 8 & 7:

	Guidance and explanation
<i>Details of work expected to be completed upon return.</i>	Students will get a work booklet posted on google classroom. Each week each students will receive their own copy of the pages that need completing. Pages can then be posted back once completed. Practical work at home is encouraged where possible.
