Dear Parents/Carers

Year 11 Period 6 Intervention Timetable

I am writing to inform you of the intervention opportunities available for year 11 students to support their progress and achievement in their GCSE’s after the autumn half term.

These interventions are a fantastic opportunity for students to improve their progress, knowledge and understanding in their GCSE’s and are proven to increase students grades. We have a period 6 drop in timetable starting after October half term from 3.00-4.00pm each day, that is open to any student doing the GCSE (see timetable below), this is not compulsory just a great chance to get extra tuition on topics and support with revision or key skills
