

12 May 2021

Dear Parent/Carer

Face masks

In line with new guidance published for schools as part of Stage 3 of the government's 'roadmap', I write to confirm that from Monday 17 May students will no longer be required to wear face masks in school.

Staff and adult visitors will continue to wear face masks in indoor communal areas where social distancing is not possible, such as corridors and the dining hall.

I would like to take this opportunity to thank all parents for your support during this period and praise our students, who have been very mature and responsible in the way they have adhered to this measure since returning to school in March.

School closure - Monday 24 May

May I remind you that school will be closed to students on the above date. This additional training day has been granted by the Trust in order to help facilitate the moderation and administration of Teacher Assessed Grades for GCSEs. School will open again as normal on Tuesday 25 May for all students.

Yours faithfully,

Mr T Eastaugh
Principal
