Gill Mills

19 April 2024

Dear Parent/Carer,

I hope that you are all well.

We have had another busy week in school. All students have had the opportunity to attend assemblies with Mr Gill on mental health and wellbeing. As a school, we recognise that good mental health and wellbeing helps children and young people to develop, attend school, engage in learning and fulfil their potential. This in turn supports one of our core values of kindness.

We have reminded and re shared the mobile phone expectations with all students during the week, including the expectation that they are to turn their phones off and have them in bags before they enter the gates of the academy and to leave them in their bags and switched off until they fully leave the site at the end of the academy day.

The GCSE exam season has continued this week. We have seen lots of engagement from Year 11 students in their P6 revision lessons. Well done to those students who have completed their 10 hour exams in Art and Photography. We continue to wish all of the students the best of luck.

Upcoming Event:

Tuesday 23rd April 2024 Year 8 Parents' Evening

Thank you for your continued support.
